Pretoria, on 03rd November 2020

TO THE CAMEROONIAN COMMUNITY IN SOUTH AFRICA

Subject: Contributions from the Diaspora towards Nation building

The President of the Republic, H. E Paul BIYA in his continuous effort for an all-inclusive and developed Cameroon has instructed all our diplomatic missions to listen to our diaspora. The Cameroonian diaspora is gifted with brilliant, industrious, and peace-loving citizens willing to share their technical know-how and ideas to ensure the attainment of the policy of Greater achievement by the year 2035.

The High Commission of the Republic of Cameroon in Pretoria will in this light, carry out consultations on issues of common interests to all Cameroonians on Tuesday, Wednesday and Thursday within defined time slots in respect of the regulations prescribed by the government of South Africa as result of the Covid-19 restricting the capacity of all gatherings.

You are all kindly welcomed to share your ideas on how to promote the development of our country in every domain. Taking into consideration the fact that physical contacts should be avoided as much as possible, your written contributions in one of our two (2) official languages can also be forwarded by email:

Cmrdiasporasadevelop@gmail.com and hard copies could be deposited at the High Commission of the Republic of Cameroon
80 Marais street, Brooklyn, Pretoria, South Africa.

Please contact/WhatsApp 067 642 9691 for available time slots:

- 10:30-11:30
- 12:30-13:30
- 14:30-15:30
- 16:00-17:00.

The active participation of EVERY Cameroonian in South Africa in this drive would be highly appreciated and given well deserved consideration.

*Adrien Kouambo J.
High Commissioner*
